NEVER
before
NEVER
again

Never before have we been faced with this-
We are forced from the shelter
We have grown so accustomed to
These past four years.
We must learn to walk on our own:
Those we have depended upon
Cannot come with us
As we venture out into the world.
We are instructed to remember
All that we have learned
Yet we are told
Not to dwell on the past.
We must leave behind not only our camaraderie.
But our petty disagreements as well.
We have accumulated memories:
So many shared moments
Which we will always remember,
Willingly or not.
We are starting out on a journey,
A crazy adventure called life.
We are all inexperienced,
Sharing the same sparse knowledge
About the ways of the world.
Yet we know we must seize this opportunity
Because it is the threshold of our future,
And we may never get this chance again.

Faculty

Each year, new faces stream into the high school, and many old ones return, aged and more experienced, but the one constant at Waltham High is the quality and the readiness of the teachers. The faculty and staff here endeavor each day to shape us, to improve us, to leave the open plains that are our minds and futures better than they were upon discovery. For your dedication, for your determination, and for our triumph, we sing of your praise. In each of your, there is a friend, a mentor, and a beacon - a lighthouse, offering guidance through this concatenation of circumstance and happenings called life. We are grateful for your sophistication, responsibility, love, and most importantly, for your ability to impart these wondrous qualities unto us. On behalf of the class of 1999, Thank You, to all of your who dared to change us.

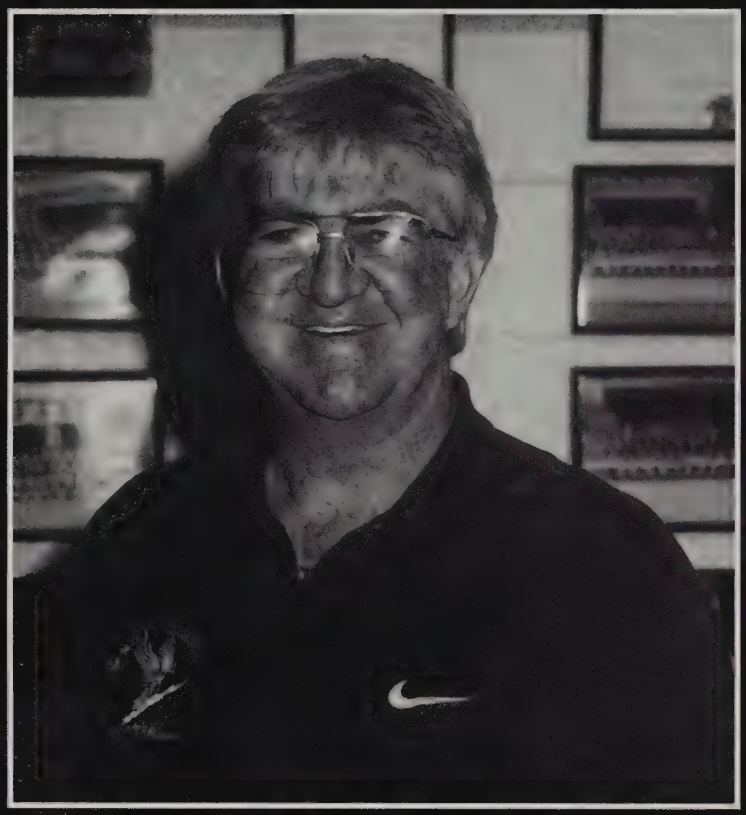
1999 Yearbook Dedication



Robert Connors

Esteemed by colleagues, students and friends alike, this year's recipient of the 1999 Yearbook dedication needs no formal introduction. Beloved for his great sense of humor and commitment to young people, this educator and coach has left an indelible imprint on the lives of the Waltham High School community. Whether he was motivating students in his A Block physical education class or conducting a practice session in the late afternoon, Mr. Robert Connors would always sport a radiant smile and a reassuring quip "YOU KNOW IT" that would most definitely get a positive response from his students.

One of ten children, Mr. Connors was born and raised in Waltham. After his graduation from Waltham High in 1965, he attended the College of the Holy Cross for a brief time and then transferred to Northeastern University where he became the Huskies' star quarterback. In 1970 Mr. Connors signed with the NFL's New York Giants for two years. After receiving a bachelor of science degree cum laude in 1972, Mr. Connors began his teaching career at Waltham High School in the physical education department.

The same year, Mr. Connors assumed the position of head coach of the Waltham High School football team for five seasons. He later became the head coach of the girls' basketball team for 21 seasons, during which time he coached his own three daughters, Stacey, Patty and Laura. Most recently, Mr. Connors served as offensive coordinator for the Bentley College football team, which he joined in 1990.

Although his legacy as an athlete and a coach is immortalized by his induction into the Northeastern and Waltham High Athletic Halls of Fame, perhaps his personal legacy is best reflected in the anecdotes and fond recollections of all the people with whom he came in contact. He is remembered fondly by colleagues and friends as a great role model, a man of dignity and a man who empowered young people to have confidence in their abilities. In his own words, Mr. Connors' simple yet profound philosophy of "work hard, play together, laugh often" echoes in the hearts and minds of his personal and extended family today.

For the gift of this great man, the Class of 1999 is proud to honor Mr. Connors by dedicating the yearbook to his memory.

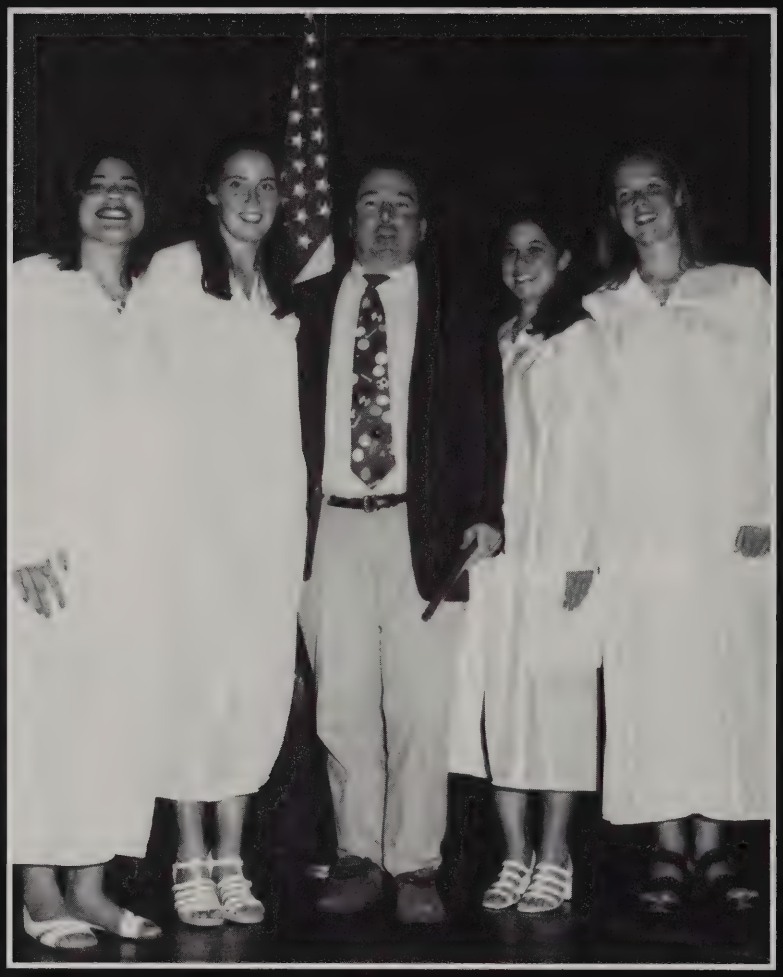
1999 Yearbook Dedication



MR. MAGUIRE

Graduating seniors are often challenged to strive to be successful and pursue education with an open mind. However, no person can be truly successful just by gaining knowledge. A person must also give of himself and apply that knowledge. A teacher, for example, is called upon in the classroom to provide the motivation as well as the information needed to learn. There are certain teachers who go above and beyond this duty, supplying guidance, support and friendship. It seems appropriate, tonight, that we recognize a person who possesses all of these qualities: Mr. John Maguire.

For Mr. Maguire, the road to success began at Waltham High School. After graduating, Mr. Maguire attended Babson College where he received his Bachelor of Science degree. Five years later, he became a certified Business Management teacher after enrolling at Suffolk University.

Mr. Maguire's career with the Waltham Public School system began in September of 1986, just as we all began kindergarten. At this time he was a substitute business teacher for Waltham High School. The following year he became a Dropout Preventio Kennedy Middle School. By 1989, Mr. Maguire was teaching mathematics at the Senior High School. His current position as a teacher of math, business and computers was established in 1990.

Most of this year's graduating class will remember Mr. Maguire as our first housemaster. Mr. Maguire provided guidance and discipline to us when we were vulnerable freshmen. This became the foundation upon which we have matured and developed.

Mr. Maguire is the father of two young children, Christopher and Brianna. However, he still finds time to be involved in several extracurricular activities. He is advisor the organization SADD (Students Against Destructive Decisions), and plans the SADD mock crash every year. Mr. Maguire took over the position of head coach of the Waltham girls' soccer team in the fall of 1996. Since then, he has successfully coached this team to one Greater Boston League Title in 1996 and subsequently made several tournament appearances since then.

It was evident this past winter that Mr. Maguire's coaching ability reached a pinnacle when his name, along with the boys' hockey team, became synonymous with winning. After taking home their first ever Greater Boston League Title, the team was chosen to be part of the prestigious Super 8 tournament. There they gained invaluable experience playing with some to the local hockey dynasties.

Because of his positive attitude, outgoing personality and his ability to communicate with others, Mr. Maguire has established an outstanding rapport with the class of 1999. For this reason we would like to dedicate the 1999 Mirror to Mr. John Maguire.

1999 Yearbook Dedication

MRS. MCKNIGHT

I would like to make this dedication to a selfless, modest woman. She has taught for years, never expecting anything in return. She is a living example of patience, caring and diligence. She taught us the definition of contribution, all the while never seeking the spotlight. I am privileged to have been a student of this woman, Sonia McKnight.

Mrs. McKnight attended public school in Everett, moving on to Boston State, and later taking courses at Boston University. She began teaching chemistry at Waltham High in 1966. Very soon afterwards, she married Richard McKnight, who is currently the head of the science department at Waltham High School. The McKnights have one daughter, Amy, who is currently a grad student at MIT. In addition to this, Mrs. McKnight has taken in four foster children in the past, two of whom are living with her now.

Mrs. McKnight is involved in many activities at the high school. She is the advisor to the Environmental Club and the Envirothon, she organizes the yearly Earth Day program, and she supervises many clean-ups, including that of the wetlands in front of Kennedy. She was a member of the Waltham High School Council and is currently a representative for the Waltham Educator's Association. Football

After a pre-season full of hard work and training, the 1998 football team was able to gain a trust in each other which prepared them for the challenging season ahead. The Hawks' first test was the season opener against Xaverian. Although they lost, the team performed so well that the coaches and players were able to view that game as a win. The first three G.B.L. games were easily won by the Hawks. These were followed by a 42-0 Homecoming victory over Revere. The Hawks began turning heads all over the state. The second half of the season began on the road. After a win over Somerville, the Hawks faced the challenge of a lifetime, coming up against undefeated Everett. Waltham gave it their all, but could not manage to beat the Crimson Tide. The Hawks went on to beat Cambridge before losing a really close game to long-time rival Peabody. The season ended with the annual Thanksgiving Day game versus Brockton. The game was very close, but Brockton won for the twentieth year in a row. The Hawks had a great season, and this year will not soon be forgotten. Good luck to next year's team!

Cheering

Football cheerleading at Waltham High School has been a fun activity in the past, and this year didn't disappoint. With ten seniors, the team was very talented and competitive. Captains Meghan Condon, Meghann Lucas, and Dawn Sydlowski, along with seniors Becky Boudreau, Katie Cormier, Wendi Defilipo, Kerry Hennesey, Melissa LeBlanc, Melanie Majkut, and Sarah Peterson provided excellent leadership. Coach Denise Lelievre and assistant choreographer Amy McCue did a teriffic job teaching the cheers and dances. While attending camp this summer, the football cheerleaders received the leadership award, which is the most honored award. Becky Boudreau, Meghan Condon and Meghann Lucas were named Universal Cheerleading All-Stars, and had the opportunity to travel to London. The majority of the team will be graduating this year, but there is promise for a very strong team next year.

Soccer

The boys' soccer team got off to a rocky start this season. After a couple of wins, ties and losses, the boys beat Cambridge in a 3-1 win. This victory was a new starting point for Waltham. The team had 12 of the points they needed in order to play in the tournament. The Hawks gained four more of those points with huge wins over Revere and Everett. In their final game against Peabody, the Hawks qualified for the tournament with a 3-0 victory. The tournament game was against Newton South. Although the boys gave it their all, they suffered a 2-0 loss. The Hawks ended the season with a successful record of 9-8-2. Third year coach Peter Marini contributed greatly to the team's achievements. He gave the boys the strength and confidence to succeed. Senior captains John Alfeo and Adam Lord, along with seniors Luis Antonini, Pedro Arrivillaga, Mike Condon, Outay Chouangprasueth, and Glenroy Williams also provided leadership for the team throughout the season.

Volleyball

The 1998 girls' volleyball team had a successful season with Coach Dave Murray stepping up to take the place left vacant by Laraine Bogosian. The Hawks faced a difficult non-league schedule, but finished 6-6 in the G.B.L. under the leadership of senior co-captains Shanon Komow and Andrea Stanton. Despite the loss of seven members to graduation and a severe lack of height, the team managed a formidable line-up of seniors, with both Komow and Liz Bartley named GBL All-Stars. Jackie Bergantino and Kate Berkeley spiked and blocked aggressively from the outside. Middle hitters Komow and Stanton pounded away at the net, with Judy Brown and Farah Jeremie helping out when needed. Strong play was shown by setter Bartley, with Debbie Francisque filling in beautifully when junior setter Carla Centola developed and injury, while Junior Melissa Mariano gave the team a solid effort in defense. Hard work and plenty of team spirit were shown by all, especially by sophmores Kim Bouris and Michele Ryan, along with freshman Lynne Albert.

Field hockey

As returning G.B.L. Champs, the Waltham Field Hockey team has come out on top again. Finishing with an overall record of 18-1-2, Waltham has done some damage in the state.

The head coach, Denise Nugent, and All-Star co-captains Tracey Rautenberg and Jill Annunciata led the Hawks to an undefeated regular season. It was evident after the first win against rival team Bishop Fenwick that the team had a lot of potential. The Hawks' defense was under the control of senior All-Star Lela Lituri, Emily Cappetta, and Tracy Cain, with a lot of assistance from sophmore Liz Kenney. The defense was very strong, providing other teams with very few chances to oppose goalie Jill Annunciata. Leading scorers B.J. Dion and Renee Gahan sparked the Hawks' offense with help from senior Lisa Lituri, juniors Sarah Aiello and Tammy Taranto, and sophmore Maria Sorrentino.

This year's field hockey team defeated both Needham and Chelmsford in the first and second rounds of the tournament. The Needham game was very exciting, carrying into double overtime. The team has made history by being the first field hockey team to make it to the North Semi-Finals. Unfortunately, the streak ended with a dissapointing sudden-death overtime loss to Weston.

With the help from the returning players, including All-Stars Gahan, Dion, and junior Jackie Driscoll, the Hawks will work hard to defend their league title. If this year's dedication carries into following seasons, you can expect to see the Lady Hawks at the tournament next year, and for many years to come.

Soccer

The Waltham Lady Hawks had a strong soccer season this year, finishing 12-4-2 overall. Led by co-captains Liz Dewire and Laura Connors, the girls qualified for the State Tournament against Medford midway through the season. Along with seniors Laura Auld, Nichole Creonte, Sarah Mickalsen, Krystal Parrella, Michelle Pereira, Katelyn Rooney and Rachel Tolan, the Hawks were sparked when huge wins came against Cambridge and Peabody. This helped produce one of the girls' strongest seasons. In the first round of the tournament, Waltham lost in a well-played game against Beverly, and the girls also productively made a run at the end of the season. The team's togetherness was evident throughout the season and this year can only be classified as "simply the best. "

Gx-country

Lookin' strong Christy!

The girls' cross country team lost their nine top runners due to graduation last year. However, due to the excellent leadership of captain Christie Aucoin, seniors Christy Bouris and Laura Wheaton and several talented underclassmen, the team was able to begin rebuilding. Because of this year's hard work and dedication, the girls' cross country team will become a threat in the GBL sometime in the near future. Although the team's record was 3-5, all of the losses were close ones. Kent Hales, who coaches both girls' and boys' cross country, motivated the girls to run as a team, and not as individuals. This created a bond between the team which will never be broken. Great performances were given by everyone, from the seniors to the freshmen. Junior Jaymie Doucette showed exceptional talent, and will be an asset to next year's team. Good luck in the future.

Corey cruises along

This season could most easily be described as a rebuilding year for the boys' team. After seven key runners were lost due to graduation, the team was not very big at all. There were definitely a few bright spots, and everyone worked hard and continued to improve each day. Senior captain Corey Scafidi along with seniors Victor Rivera and Mike Delorenzo have contributed a lot of hard work and effort to the team this season. Instead of looking back at an 0 and 9 record and saying it was a poor season, the team's success should be measured by the constant improvement of everyone on the team, and the boys' cross country team can look forward to next season.

The golf team was relatively young this year. However, after playing their first match they knew they had talent. Led by senior co-captains Andrew Alcorn and Ryan Devane, seniors Jeff Sullivan, Ryan Hanley and Jeff Czarknowski and several other underclassmen, the team once again contended for the GBL title. Unfortunately, they lost to Peabody in a close match, but came back with a big win against Cambridge Ridge and Latin. The golf team finished their season in second place, with a record of 7-1.

MarchingBand

The Waltham Marching Hawks had a banner year. Led by drum majors Valerie Washburn and Rosalind Wyman, the band performed in rain and shine. This year's show consisted of "Smoke on the Water," "Georgia on My Mind," and "The Impression That I Get." The Hawks went to competitions and marched in both the Homecoming and 260th Anniversary parades. The twelve graduating seniors will be sorely missed. Along with Washburn and Wyman, Kevin Tyrone, Steve O'Brien, Scott Faeth, Amanda Mogan, Deva Djaafar, Alex Chou, Justin Jose, Kim Zande, Yuji Hairston, and Bobby Lane will all be graduating this year. The Marching Hawks were assisted by Kristen Whalen, Roberto Velella, and advisor Mr. Steven Barbas.

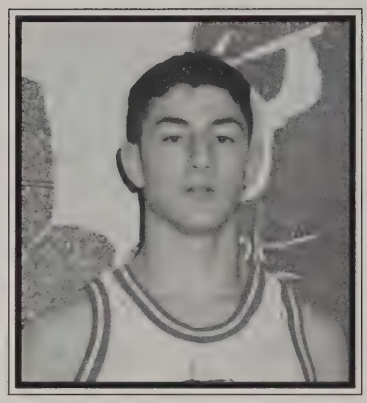
Basketball



The basketball squad finished off a successful 1998-1999 season with an 11-9 record. The Hawks lost a heart-breaker in the tournament to a tough Haverhill squad. Highlights of the season included a thrilling four overtime victory over Arlington and a Christmas tournament victory over Latin Academy. The seniors, Jeff Abellard, Ryan Devane, Shawn Lyons, Ian MacPherson and Cory Scafidi, all provided key leadership skills throughout the season. The team had a hard-working, aggressive attitude which was evident at all of its games. A talented junior class has high expectations for next year.

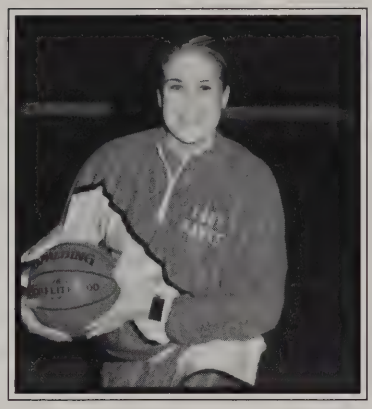
Basketball



The Waltham Lady Hawks soared high through the 1998-1999 basketball season. The team, coached by Denise Nugent and led by captains Laura Connors and Alexandra Sylvestre, finished 9-10 overall. The girls stuck together dealing with more adverse than past years both on and off the court. The loss of long-time coach Bob Connors altered every plan for the season, but by supporting and helping one another to work hard, the girls were successful. The Lady Hawks went on a mid-season winning streak, beating competitive teams such as Arlington, Medford and Peabody. A late season win against Revere qualified the girls for the state tournament. Senior leadership took on a big role this year. With the help of seniors Meghan Condon, Liz Dewire, Debbie Francisque, Shannon Komow, Andrea Stanton and both of the captains, the Hawks had no problem achieving their pre-season goals. The Lady Hawks played their final game against Lexington, where they displayed a lesson they will never forget: "No matter what the odds are, never give up."

Hockey

The 1998-1999 hockey team had a record year. It included many firsts, such as winning the GBL title, having an undefeated home record, playing in the Super 8, and defeating long-time rival Arlington after an eight year losing streak against the Ponders. Another highlight of the season was when senior tri-captain Matt Beck set a new school record for the most points scored in a four-year hockey career. These were amazing accomplishments which will not be forgotten. However, the most prevalent memory in the future will be the amount of support given by classmates, parents, cheerleaders and community, which exceeded by far the level shown last year. The hard work put forth by the players and coaches involved with this year's team did indeed pay off. The team especially got a lot of help from coaches John Maguire and Jay Ferraro, and from the seniors: Captains Matt Beck, Ryan D. McCarthy and Ryan P. McCarthy, Jeff Czarnowski, goalie Andy Davis, Jay Doyle, Steve Kearney, Mike Melanson, Scott Sheehan and Glenn Soucy.

B Cheering

Seniors Valerie, Sarah, and Beckey

The W.H.S. basketball cheerleaders had a great season. With five sophmores and six freshmen, the team is very young. Nonetheless, the team has done very well in competition. The National Cheerleading Association presented the team with several awards this past summer, including four All-American nominees and one NCA All-American, the Association's most prestigious award. Coached by Sherri Ziomek for the second year, the team has come a long way. Senior leadership was provided by Sarah Peterson and captains Rebecca Boudreau and Valerie Washburn. With such a small group of graduating seniors, the team hopes to do just as well next year. As a whole the basketball cheerleaders have worked very hard and had a great team. The team is looking forward to cheering next year.

The 1998-1999 hockey cheerleading squad had a very exciting season. After graduating all but two girls from last year's squad, the addition of twelve new girls was quite a challenge for first-year coach Joanna Ferlazzo. The girls cheered in the newly renovated Veteran's Memorial Rink and were given the opportunity to perform in the winter sports rally. As the hockey cheerleaders had never been presented with such a great opportunity before, a lot of practice had to be done in order to learn a dance and stunts. However, all the hard work paid off. Thanks to a great coach and excellent leadership by seniors Emily Cappetta and Liz Ruggeri, this was one of the most dedicated squads in the history of hockey cheering!

Swimming

This was a very successful season for the Hawks' swimming and diving team. Coached by Phil Richmond and led by captains Karen Donovan, Adam Lord and Kate Jackson, the team finished the season undefeated. With that and their victory at the GBL meet, the Hawks recaptured the league title. Though they suffered many graduation losses, the team gained many talented freshmen whose hard work helped the Hawks greatly. Strong performances by underclassmen Tricia Lucente, Erin Fitzpatrick, Dan Bernbach and Andy Doyle combined with those of seniors Adam Lord, Kate Berkeley, Jason Vienneau, Karen Donovan, Kate Jackson, Luis Antonini, Amanda Mogan and Alana Dery to put the Hawks at number one in the league. Many swimmers went on to Sectionals and States as well. The girls took three relays to Sectionals and States where they placed higher than ever. The 200 Medley relay team of Fitzpatrick, Jackson, Allison Holmes and Liz Nichols broke the school record set in 1995. The 200 Free relay team of Holmes, Fitzpatrick, Lucente and Jackson broke the record set last year. Also breaking records of his own was Adam Lord, who broke the 14 year old record in the 50 free. He went on to Sectionals and States, where he place high in each of his events. The diving team also had a very successful season. Led by senior Tracey Rautenberg, the diving team scored many crucial points which kept the Hawks on top. Tracey was the top scorer in the diving competion at the GBL meet, making her a league All-Star and qualifying her for Sectionals. Other successful divers for the Hawks were Bobby Lane, Adrienne Izzo, Kim McCarthy, Liz Nero and Pien Huang. Together the swimming and diving team accomplished many personal goals in addition to capturing the GBL Title. The seniors will be greatly missed, but the team is in good hands for next year. This year the Hawks definitely left their mark.

B Track

The boy's indoor track team had a successful season, despite many losses due to gradua tion. The team was inspited by many spectacular individual performances and motivated by Coach Dan Keohane and Assistant Coach Anthony Roane. Highlights include performances given by seniors Stephane Ligonde (hurdles) and Tom Gage (distance), and by senior tri-captains Jay Goulding (high jump), the league-leading Paul May (shot put), and Nick Seminara (sprints). This year's team was also filled with many underclassmen, including Chris Brophy, Shane Chow, Craig Demeo, Kevin Eagan, Felix Frimpong, Ryan Hogan, Randy Jacobs, Matt Kiley, Jim LaCrosse, Ben Lapointe, Jeff Orifice, Mike Quinn, Jon Rock, Rob Schoeck, and William Turman. This core of athletes shows great promise for the future. The leadership of the seniors and their hard work gave direction to the team as a whole. There will be great expectations for the next boys' indoor track team, but the future athletes are young and strong. They will rise to the challenge.

The girls' indoor track team had a rebuilding year after the many graduation losses. The team ended the season with two wins and six losses. There were many great individual performances. The girls were under the guidance of coaches Kent Hales and Rudy Herold. The team was captained by senior Christie Aucoin and junior Coleen Ward. Other seniors included Liz Bartley, Martine Dumas and Weida Ortiz, who all showed a strong performance. Also scoring points for the team were Jen Leone, Michelle Maguire, Jaime Preston, Pia Miller, Kelly Vincent, Cassandra Colocouris and Laura Sforza. With only four graduating seniors this year, the team will continue to build up its strength. Good luck to next year's team.

The wrestling team has improved for the second year in a row under coach Carl Cincotta. Co-captains Dan Arone and Jim Collins both passed the 100 career win mark this season, a feat accomplished by ony two other wrestlers in the team's history, leading the squad to a dual meet record of 20-5. Waltham had two state place winners this year: Collins, who took fourth at 145 lbs an Arone who was a state finalist at 125. Arone then went on to wrestle at the Nationals at 119 lbs. There are twelve varsity returners already working hard to improve for next year's campaign.

Skiing

Not even the fact that there was no snow this winter or that there was a new coach was enough to keep this year's ski team away from an incredible season. The girls' team finished first in the Mass Bay Ski League for the second year in a row. The boys' team finished second in the league along with beating Xaverian for the first time ever in a race. This was the first year since the mid-eighties that both the boys' and girls' teams qualified for the Mass State Ski Meet at the Berkshire Mountains. All the hard work and strong attitudes put the team exactly where they wanted to be. For the past four years Ronie Sue Bower coached the ski team, but she was out on maternity leave. The assistant coach, Allison Hardiman, stepped up and contributed greatlly to the team. This year's captains were seniors Katelyn Rooney and Matt McCue. Other seniors included Laura Auld, Beth Capporiccio, Laura Wheaton, Jim Biggins and Jeff Sullivan. These seniors scored many points for the team, and they will be sorely missed next year. Most teams rely on their upperclassmen to get the job done, but this year's underclassmen got many points. Some of the underclassmen who made significant contributions were Sean McCue, Anthony Cincotta, Jenna LaCava, Stephanie Wheaton, Liz Auld and Kara LaCava. Volleyball

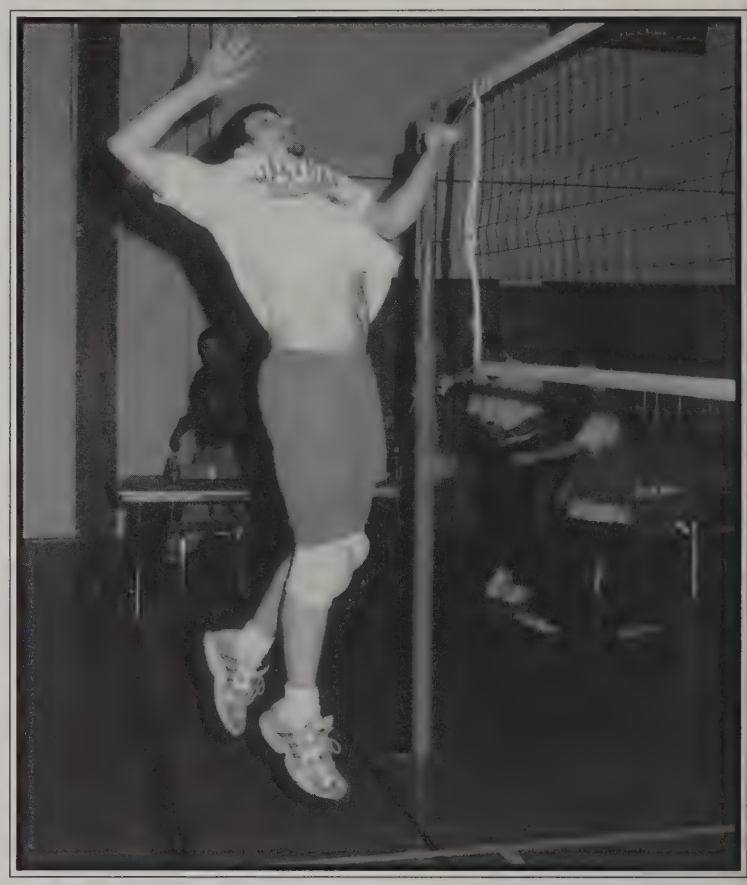
Spike it Luis!



After a disappointing 1998-99 season, there is still much hope for the maturing boys' volleyball team. Due to the aquisition of a new coach and the loss of star varsity players due to graduation, this season was a learning experience. The team finished 1-13 after facing a difficult schedule including Newton South, Cambridge and Lincoln Sudbury. Coach Mike Gavin did a great job as a first-year coach handling a team with many new faces. The only seniors were Tam Le, Luis Antonini and Bobby Lane, all of whom made enormous contributions to the team this season. Both captains John Vautour and Shaun Cassie will be able to return next year with a group of teammates who have great potential. This group includes juniors Mike Lovequist, Ketan Patel, Chris M'Cauley, Dharmesh Patel and Jignesh Patel. The boys' volleyball team will be strong and experienced next season. Tam Le

G Tennis

The 1999 season was tough for the girl's varsity tennis team ending with a record of 6-11 overall. Last year's loss of four varsity players, including first singles player Jana Dolnikova, left this year's team with a lot of rebuilding to do. Junior Anastasia Pilyavskaya stepped up to the challenge of the first singles and had an outstanding season with a record of 13-4. Freshman Karolina Mizeracka and junior Melissa Mariano also had good seasons at second and third singles respectively. The doubles teams of junior Melissa Rossi and freshman Annie Luu and senior captain Kelly Robichaud and junior Klenda Martinez also played well improving with each match of the season. This year's team faced some tough 3-2 losses to teams like Malden and Somerville as well as some unexpected wins ending the season with a 5-0 win over Arlington Catholic, a team which served Waltham a 4-1 loss at the beginning of the season. Next year's team looks to be a better one with six returning varsity players who have all vastly improved during the 1999 season.

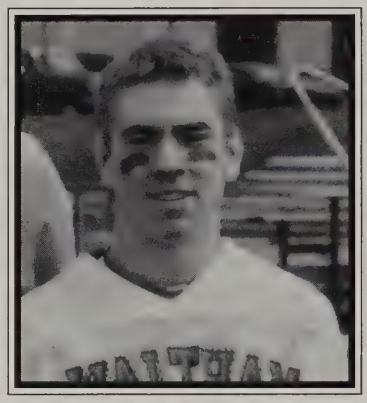
B Lacrosse



The 1999 Hawks lacrosse team had a very successful season, qualifying for the state tournament with a record of 9-8. The team played a very tough schedule this season, beating powerhouse Billerica in overtime during the regular season before falling to Malden Catholic in a 3-OT tournament heartbreaker. Head coach Steve Duffy, along with his new defensive coach Chris Gelinous, led the Hawks through this incredible season, along with the help of many talented seniors. The defense was anchored by Ryan McCarthy, Jamie Burns, Mike McMahon, Mike Connolly and co-captain/goalie Jay Doyle. The midfield was led by senior co-captain Andy Davis, Dave Sweder, Matt Parker and team MVP J.J. Hayes. Juniors Matt Fratto and George Fox also contributed greatly and hope to lead the team to the tournament again next season.

G Lacrosse

The Waltham High girls' lacrosse team is a three-year-old program that has come a long way. This year's team was led by senior tri-captains Liz Dewire, Michelle Pereira and Andrea Stanton, as well as seniors Christy Bouris, Emily Cappetta, Lela Lituri, Lisa Lituri, Amanda Mogan and Mary Qaqish. With help from them as well as great coaching by Peter Marini, the girls improved upon last year's record, ending this season at 4-10. With many returning underclassmen, next year's team is already showing a lot of promise.

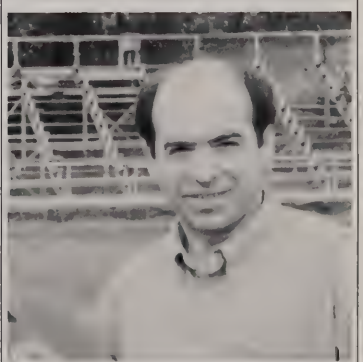
"This year's team got a lot of help from its seniors, especially the tri-captains. They kept the team together through rough times, providing motivation and leadership by setting an example for the rest of the team."
Coach Peter Marini



Track

The coaches and captains.

The 1999 girls' track team had a successful season this year. Led by senior tri-captains Laura Auld, Liz Bartley and Christie Aucoin as well as seniors Martine Dumas and Meghan Condon, the team excelled in several areas. Suprisingly, the strongest events this year were the field events, which haven't been as successful in the past. Junior Jen Leone contributed to the team's success in the hurdles, while underclassman Liz Nichols, Cassandra Roane and Cotleen Ward were also successful in their events. These four underclassmen, as well as senior Liz Bartley, all qualified for States, although only Bartley, Nichols and Leone were able to compete. Although the graduating seniors will be missed, there are many talented underclassmen who will return next year.

B Track

With numerous seniors, this year's team was a force to be reckoned with. The final record was 5-3, with many victories coming down to the last event, the 4x400, in a very close race. The team's success can be attributed to the wide event diversity and versatility of the seniors who carried the team to victory. Paul May and Jay Goulding specialized in field events, and Jeremy Boudrot, Pat Duffy, Mo Hakky and Ian MacPherson specialized in track events. Jeff Czarnowski and Stephane Ligonde competed in both track and field events and helped fill in gaps in the events when necesary. The team is thankful for the brilliant coaching of Dan Keohane and Ernie Glynn. The team should remain a contender in the GBL next year.

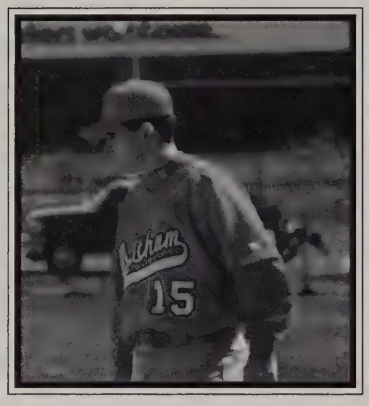
Baseball



The Waltham High baseball team had another successful season this year. The season started with a strong win against Newton North, and a tournament berth was clinched with a win against Everett. Coaches Serge Clivio, Greg Page and Geof Silver led the team to a 14-7 record, which included a seven-game winning streak. Catcher Jim Collins and outfielder Nick Seminara, this year's co-captains, both had very productive seasons. Senior pitcher/outfielder Steve Kearney provided a highlight with a no-hitter against Malden at Nipper Maher Park. Other seniors on the team were second baseman Tim Cadman, first baseman Mike Morizio, third baseman Joe O'Brien, second baseman Victor Rivera and outfielder/pitcher Corey Scafidi. Underclassmen who contributed to the team were Joe Burgoyne, Brad Czarnowski, Joe DiRico, Bobby Negron, Mark Piantedosi and Nick Provencher. Next year's team also looks very promising, with many talented players coming back. Good luck to all the seniors in college next year, whatever academic and athletic interests you pursue.

"These seniors were an exceptional group of kids, both athletically and academically. They provided not only excellent leadership, but a heck of a season as well."
Coach Serge Clivio

Softball

The 1999 softball team finished the year with an impressive overall record of 14-6. The co-captains, Jill Annunciata and Tracy Rautenberg, as well as other seniors Jackie Bergantino, Jo-Jo McKenna, Rachel Tolan and Valerie Washburn, all provided excellent leadership. Many underclassmen showed talent, especially newcomer Laura Flemming, who became the Hawks' star pitcher. The Lady Hawks had a great season, losing to Medford in the tournament. Head coach Maureen Lavin and assistant coach Kim Broyan motivated the team and coached them through many wins. Between their excellent coaching and the talent they have to work with, Waltham softball will continue to be a major force in the future.

B Tennis

Before the season had begun, this year's tennis team was in high spirits about the upcoming season. This year's team was led by seniors Charlie Arsenault, Alex Chou, Outay Chouangpraseuth and Tom Gage. These four seniors led the Hawks to an impressive 14-4 record. The team had exciting wins against league rivals Peabody and Malden. The team will be heading into the state tournament for the third consecutive year. Returning underclassmen Bryan Rautenberg, Chad Cooper, Boris Gokfield and Ji-Hoon Ryu will help form the backbone of next year's team.

NEVER BEFORE, NEVER AGAIN

Never has there been a class like this before
Always strived for the best
Nothing less and always more

Never will these teachers teach you again
Appreciate them now
They were there when we began

Never again will Demeo make his rounds
Walking around with blue slips
For students who can't be found

Never again will Mrs. Smith have to host
A truckload of seniors;
To her we offer a toast

Never again will we get to graduate
Younger years are precious
Have fun before it's too late

Never again will we have a senior prom
Everyone's in a rush
All trying to remain calm

Never before have we gotten out this late
We're closely keeping track
Crossing off days date by date

Never will there be a class like this again
Last class of the decade
Girls to women, boys to men

Never before have you had this chance to shine
Never again will there be

"Full Speed Ahead"
by Joe O'Brien

We set out from the shore
On our journey cautiously,
Unsure of what we would discover
Yet continuing enthusiastically.

As our journey moved onward,
Our knowledge was also progressing
Of how to keep on course, afloat,
And how to prevent it from capsizing.

Occasionally, we lost our way.
Confusion reigned. Which way are we going?
Through rough seas and raging storms,
We persevered. We kept on rowing.

Finally, we have arrived at our destination,
The first, with many more in the future.
This day will soon be over, as
We continue with our travels
But the memories of the journey
Will linger eternally.

Ads

The 1999 Mirror was made possible by the support of local businesses, families and friends. Each year, seniors at Waltham High work during the school year and summer to get ads. These ads provide the money needed to publish our yearbook. In turn, businesses, as well as family and friends, get to wish the Class of '99 "good luck!" The Class of 1999 would like to give thanks to those who have helped us as we bid a fond farewell to Waltham High.
Thanks for all of your support!

December 1981 - March 1990

While the 1998-1999 Waltham High Hockey team cleans out their lockers at the Veteran's Memorial Arena, they have something to think about. They will be looking back at an unbelievable season. A season that will be not only be remembered by the team, but by the entire city of Waltham. All season long we watched you play game after game hard. You seemed never to let down. And when down always fought back. You went undefeated at your new home. You were the GBL Champions. You won the Newburyport Tournament. You qualified for the Super 8. You set records. You were a team. You had a whole community rally behind you. You turned Waltham back into a Hockey town. You saw friends, parents and fans, refuse to leave an arena following your win against Arlington. You saw just about the entire city and beyond come to support you at Walter Brown Arena. Just remember when you look back at this season years to come, the 98-99 Hawks were special. You set the tone for many years to come. You have set records to chase, and will one day be broken. You were the first to go through the Vet, and it now has a history, and thanks to you, a possitive one.Thank you 98-99 Hawks for making this a memorable season for not only yourselves but for Waltham..
